

Genesis in the Hills continues its series of Meet the Author events in collaboration with Fremantle Press on Saturday December 8, when multi award-winning botanical artist Ellen Hickman and poet and essayist John Ryan introduce their book "TWO WITH NATURE".

Meet the Author event at Genesis

There will also be an exhibition of Ellen Hickman's botanical art. Hickman, who lives in Albany, is an illustrator and botanical scientist who captures the natural world in layers of fine detail and colour, while US-born Ryan is a writer whose botanical poetry explores what he calls the inherently mysterious nature of the plant world.

Fusing art and science, words and images, *Two with Nature* stimulates new ways of knowing the green world. The Meet the Author event starts at 6pm and is free to attend.

THE GOOD TO GROW RAFFLE

Want to win a shopping spree?
Want to help out a local non-profit organisation?

If so, then buy some Good to Grow raffle tickets. Or better still, grab a booklet and sell some yourself! You'll have a chance to win a \$4,000 gift card to spend at Elaine Anfield's The Good Guys, and you'll be helping The Grow Project raise money to build an outdoor kitchen for the kids at Roleystone Community College. Once the kitchen is in, the kids won't just be growing their own food, they'll be cooking it too! For just \$2 a ticket, you can join the draw and have the chance to spend up big this Christmas. Contact team@growproject.org.au or Justine on 0448 218 135.

Southern Hills Christian College offers a stable Christian environment with a seamless and comprehensive Kindergarten to Year 12 curriculum. We strive to ensure that all students are given the best opportunity to build foundations, which will enable them to face life positively and effectively.

Programs are tailored to meet the educational, social, spiritual and physical needs of our students. Our unique ability to offer quality education throughout the full range of school years assists to provide the positive environment your child needs to reach their full potential.

Around 60% of our upper school students complete academically rigorous courses that lead to exams with complete university entrance options. The balance of our upper school students complete programs including Workplace Learning and introductory TAFE courses that lead to further technical studies or employment.
